

MUNICIPAL FLOOD ADVOCATE - PEQUANNOCK TOWNSHIP, Morris County, Full Service Community with a population of 15,500, 7 sq. miles. This new position will have a variety of responsibilities involving the Township's efforts to prepare for and mitigate the impact of flooding along the Pompton River including frequent contact with residents and acting as a liaison between Flood Plain Property Owners and Municipal Departments. Applicants must have experience in Flood Plain Management and either possess or be able to obtain the CFM designation, have excellent oral and written communication skills and be familiar with the National Flood Insurance Program (NFIP). Experience with grant writing and Community Rating System (CRS) would be highly desirable. Salary commensurate with qualifications and experience. A letter of interest along with a resume and salary history should be sent to David W. Hollberg, Township Manager, Township of Pequannock 530 Newark Pompton Turnpike, Pompton Plains NJ 07444 or e-mailed to dhollberg@peqtwp.org no later than June 30, 2017.
